

PARTNERS  
AGAINST  
VIOLENCE

OPEN TO THE COMMUNITY

# DON'T BE A TARGET PREVENTION TRAINING

There is a small window of time before predators decide who their victims will be. Reduce the risk of being targeted by a predator. Join our webinar. Gain skills to protect yourself and others.

**Students and Professionals are encouraged to join**

Wednesday  
April 29,  
2026

2:00 PM -  
4:00 PM  
PST

via Zoom  
Meeting ID: 868 8284 3196  
Passcode: 917901

<https://bit.ly/denimday2026>

## You Will Learn:

- How to be aware of a predator's targeting preferences
- How to set personal boundaries and counteract predator approach
- The importance of enhancing situational awareness and trusting your instinct
