

#30daysofSaam

# Wear Teal Day/ SAAM Day of Action

There are lots of ways you can TAKE ACTION to support survivors!

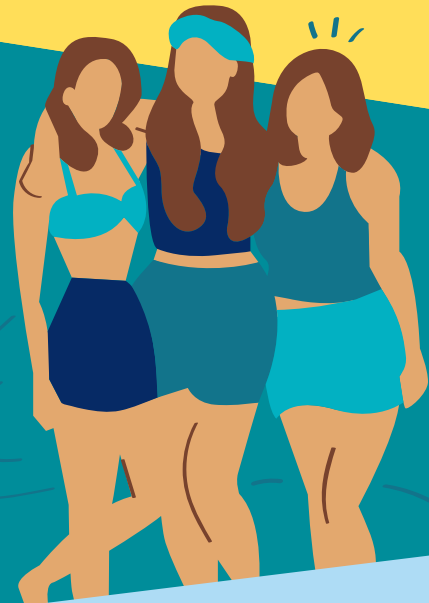

## Spread the word on social media

Share pics of you and your friends wearing teal or post a graphic from our site

## Fundraise for or Donate to survivors

When you give to Partners Against Violence, you're helping to improve the lives of hundreds of people affected by sexual violence each year in our community

## Attend a SAAM Event

Find an event to attend — many schools, colleges, and community groups are hosting events today across the country!
